Part of an exclusive and private domain "Domaine du Levant", Villa Casa del Mar dominates the high cliffs of the north-east of the island.

It is actually a two-villa complex with a total of six ensuite bedroom.

The main house (Casa del Mar) has four bedrooms and the second one (Casa del Sol) two bedrooms. For privacy, they cannot be rented separately.

Both units have a swimming pool, gardens, luxury designer furnitures, like Peter Eaton Gurnz. But also living rooms, kitchen as well as terraces. In the main house, a fitness room and cinema room is also available on the lower floor.

The two villa connect through landscaping and also stone pathways.

The six bedrooms feature a king size bed, ensuite bathroom with shower, air-conditioning, ipod docking station, TV, DVD player, safe and sea view. The 4 bathrooms located in the Casa del Mar have a shower. One of the two bathrooms in Casa del Sol has a bathtub in addition to the shower.

On the cliff, you will find a heated jacuzzi, and dining table Deluxe with Barbecue and stunning ocean view.

Early birds will enjoy gorgeous sunrises, with its unreal decor and the soothing palette of red, pink, yellow, but also the infinity blue of the caribbean sea.
