Luxurious Oasis

Set into a lush hillside, villa Dunes has a commanding presence looking out to Saline Beach. The beach is just 3 minutes walk away. An architectural work of art in a very private setting, the property is at once breathtaking as well as intimate. It allows guests to entertain grandly or luxuriate privately (or both). The main villa houses expansive living and entertaining areas, a gourmet kitchen, in addition to a dining table for 20 guests, and four of the six bedrooms.

The design is contemporary and creative. There is impressive stonework to enjoy. An interplay of teak and mahogany, in addition to white linens on which to recline and dream.

There are two pools to choose from and outdoor showers abound, not to mention a fanciful massage gazebo and state of the art fitness room.

Aside from the main villa, a short walk away there are two separate guesthouses, both in a tropical garden setting and with a mix of contemporary and traditional flourishes. Villa Dunes is impeccably maintained and ideally situated not far from the action which Gustavia offers.
