Tropical Island Style

Villa Lama take its inspiration from the pure traditional St Barth style. The mix of tradition as well as modern comfort is unique and also of good taste. The villa is like a nest perched high in Flamands hillside with its airy architecture. In addition to its luxurious terrace, a lush tropical garden surrounds the property.

The villa is built on several levels comprising various bungalows. All the areas interconnect while maintaining privacy. Each bedroom is its own separate unit. The main level offers a central terrace for relaxed indoor and outdoor seating.

A bedroom is on each level, for the maximum privacy and intimacy.
